'GIVE A HOOT ABOUT SAVING' WITH CFCU

We had an awesome week with all our youth members during our annual Youth Week, June 26-30th. The fun began on Monday, with fidget spinner giveaways for the first 50 kids into each location who made a deposit into their own savings account.

On Tuesday, we welcomed Rick and Gabi from Tamarack Wildlife in Saegertown, PA to do a live owl presentation on the front lawn of our Corry location. We had about 80 people in attendance, including about 25 YMCA kids (pictured at right) to learn about 4 different owls; Sophia, a Barred Owl, Jasper, a Red Eastern Screech Owl, Willow, a Grey Eastern Screech Owl, and Vincent, a Great-horned Owl, were all brought to Corry for a truly one-of-a-kind learning experience!

We continued the fun on Wednesday with Pet Day! We had over 20 pets brought into either location, all who now have their pictures posted for voting on our Facebook page. You can vote for your favorite pet by 'liking' their photo. The five pets with the most likes will move on to the finals where their pictures will be displayed in both locations with change bins. Whoever raises the most money for our scholarship fund by July 20th will win a \$50 gift card to PetSmart!

On Thursday, staff from the YMCA of Corry were in our Corry location to talk about all of their great youth programs! And to also let everyone know that CFCU members receive a discount on their YMCA memberships...didn't know that? Stop into the YMCA of Corry to learn all about it!

We wrapped up Youth Week on Friday with cake and free money! What better way to celebrate school being out for summer? For every 'A' on a youth member's report card, they got \$1 for their savings account. We also had two backpack raffles and coloring contests at both locations!

Thank you to all our youth members who stopped in to see us and have some fun during Youth Week!

We will hold another backpack raffle at Union City location in August, be sure to check in for details.
